## Future Plan of IQAC

A meeting of the Internal Quality Assurance Cell (IQAC) of Nur Mohammad Smriti Mahavidyalaya was held on 5th May 2025 at 2:00 PM in the Principal's Room **Ref. No: NMSM/IQAC/02/2024-25**, as per the instructions of the Hon'ble Principal. The meeting was attended by all IQAC members and relevant staff of the college. The following plans were taken for implementation as future plan for the development of college.

1. **Increase the number of ICT-enabled classrooms** to promote technology-integrated teaching and learning.
2. **Redesign the college website** for a more modern, responsive and accessible user experience for students, faculty, and stakeholders.
3. **Focus on increasing research publications** in peer-reviewed and high-impact journals.
4. **Provide more computers and increase Wi-Fi bandwidth** in the research lab to support advanced academic research.
5. **Encourage all faculty members to undertake research projects**, including government or UGC-sponsored schemes.
6. **Organize computer training programs** for Non-Teaching Staff and SACT (State-Aided College Teachers) to enhance their digital literacy.
7. **Strengthen community engagement** by motivating the NSS Unit to undertake more outreach and awareness programs in the local area.
8. **Upgrade the central library** with RFID installation for better automation and security of resources.
9. **Introduce certificate/add-on courses** to enhance student employability and skill development in emerging areas.

10. **Organize more faculty development programs (FDPs)**, seminars, and workshops to upgrade pedagogical skills.
11. **Collaborate with other institutions and industries** for academic exchange programs, internships, and joint research.
12. **Establish a mentorship system** for better student support and academic guidance.
13. **Implement Learning Management Systems (LMS)** to facilitate blended learning and academic tracking.
14. **Develop a strategy for mobilizing external funds** through CSR initiatives, alumni contributions, and research grants.
15. **Ensure timely audit and financial transparency** through digital accounting and e-governance tools.
16. **Set up solar panels and energy-efficient systems** to reduce recurring energy costs and promote sustainability.
17. **Create a dedicated fund for student support**, such as scholarships, emergency aid, and academic incentives.
