Moral Philosophy in Our Times: Insights from the Indian Knowledge System

Introduction

The Internal Quality Assurance Cell (IQAC) of Nur Mohammad Smriti Mahavidyalaya, Dhuliyani, Murshidabad, organized a thought-provoking workshop titled "*Moral Philosophy in Our Times: Insights from the Indian Knowledge System*" on February 10, 2025. Held at the college's hall-02, the workshop aimed to explore the relevance of Indian philosophical traditions in addressing contemporary ethical challenges. It brought together scholars, faculty, and students to engage in meaningful discussions on moral philosophy, drawing from ancient Indian texts and their modern applications. The event featured keynote addresses, panel discussions, and interactive sessions, fostering an academic environment conducive to intellectual growth and ethical reflection.

Nur Mohammad Smriti Mahavidyalaya, established in 2008 and affiliated with the University of Kalyani, is committed to holistic education. The workshop aligns with the college's mission to promote value-based education and intellectual inquiry, as inspired by its motto, '*Shraddhavan labhate gnanam*' (One who has faith attains knowledge).

Objectives

The workshop was designed with the following objectives:

1. To introduce participants to the core principles of Indian moral philosophy, including concepts from the *Upanishads*, *Bhagavad Gita*, and the six schools of Indian philosophy (*Shad Darshan*).
2. To explore the relevance of Indian ethical frameworks in addressing modern dilemmas such as environmental ethics, social justice, and personal integrity.
3. To foster critical thinking and dialogue among students and faculty on the integration of traditional wisdom with contemporary moral challenges.
4. To promote interdisciplinary approaches to moral philosophy by connecting Indian knowledge systems with global ethical discourses.
5. To enhance the academic and ethical sensibilities of participants, aligning with the college's commitment to quality education.
