Students / Researchers of Sociology / Social Sciences.

* Collaborative e - certificate of participation may also be provided to the attendees of the workshop.

6. **Benefit Points :**

(A) **Exposure** : It provides the students, an exposure to the psycho - sociological topic through the film, motivating them for generating further research - interest on the topic.

(B) **Experience** : The program (film - Kit / & lecture) provides the students a learning experience on the topic, through a case study on the topic, as depicted in the film. The experience gained through the film and its analysis, will help the students to apply the same in their thought processes and practical implementations/research/higher studies etc. in future.

(C) **Learning Development** (as a curricular reference) : Through such exposure and experience, the students will be able to draw a reference to their curriculum level study of humanities / sociology / social sciences. In order to grow knowledge under the curriculum, such reference films/ videos / books/ workshops play a significant and integral role.

(D) **Multidisciplinary Benefit** (as per the principles of National Education Policy 2020): Although the topic and film relate to behavioural aspects / human emotions / literature and social sciences, however, the reference on relevant public policies in India, will also be discussed, during analysis of the film. The students will be able to grow knowledge in the domain of public policy/ film studies etc. also, in addition to the sociological backbone of the program.

(E) **Growth of Empathy** (as per the Principles of National Education Policy 2020) : Apart from the academic learning, the film + lecture will also grow social empathy on the crisis shown in the film, and make the students more conscious citizens, on the topic depicted in the film program. Thus, this proposal caters to the Principles of The NEP 2020 which strives to "develop good human beings capable of rational thought and action, possessing compassion and empathy"

(F) **Value - Addition to IQAC goals** : Such holistic benefits of the students, as stated above, will also add value to the IQAC goals /in terms of quality enhancement and sustenance- activities, and the film / program will thus benefit the Department, from the NAAC - IQAC perspective also, at large.
